SKILLS

Artificial intelligence
machine learning , Deep learning
Python , PyQt
pandas , sklearn , keras , tensorflow
Anaconda , Jupyter notebook , Spyder
Google Colab , Kaggle
Face Recognition , Face Detection
Generative Adversarial Networks (GAN)
Algorithmic Trading
Latex
Matlab
C++ , C#
Lingo , GAMS
Optimization
Mathematics , Linear Algebra , Statistics
Google search
Word , PowerPoint , Excel

EDUCATION

Year	Degree	Institution
2018 – 2020	Master's Degree Master's degree in computer science at Hakim Sabzevari University in Khorasan Razavi province.	Hakim Sabzevari University
2014 – 2018	Bachelor's Degree Bachelor's degree in Computer Science at Khansar University of Mathematics and Computer in Isfahan Province.	Khansar University of Isfahan
2014	Postgraduate Diploma Diploma in Mathematics and Physics	Non-Profit Alavi High School

EXPERIENCE

Year	Experience	Institution
2018 – 2019	Teaching in university Teaching history of computer science basics and advanced programming course in the Faculty of Mathematics and Computer Science at Hakim Sabzevari University for 2 semesters. Python / C++ / Github / Colab	Hakim Sabzevari University

2019	Executive Committee in the seminar Member of the Executive Committee in holding the third national seminar on control and optimization of Hakim Sabzevari University.	national seminar
2019	Participate in a workshop Participate in a workshop on deep learning, Latex and GAMS optimization software. Deep learning / Latex / GAMS / Lingo	workshop

LANGUAGES

Persian - native
English - elementary
Arabic - elementary

HOBBIES

Volleyball
Computer Games
swimming
ping-pong
Doing puzzle

OBJECTIVE

Professor
programmer
Data science specialist
