ABOUT ME

- Born In **February 13, 1996**
- Live in **Iran BRN**
- Marital Status: **Single**
- Studying as a Master of Science in Decision and Knowledge
- education **Bachelor of Computer Science**

Algorithm and Data Structures

C/C++

Database

matlab

EDUCATION

2018 – Present	**Master of Science, Ms Computer Science**	Hakim Sabzevari University

Start to educating in September 2018 until present.

2014-2018	**Bachelor's Degree , Computer Software Engineering**	State University of Khansar, Esfahan

Education period start from September 2014 to June 2018 and pass **146 units** by **avrage 17**

2014-2018	**Diploma in Mathematics Physics**	Non-Profit Alavi High School

Education period start from September 2014 to June 2018 by **avrage 18**

SOME OF MY EXPERIENCE

· **C\C++ programing**	2016
· **Google Map and Traffic Service**	2019
· **Graph theory and Dynamic Programing Algorithms**	2017
· **Python**	2019
· **Matlab**	2016
· **Latex**	2019
· **MySQl**	2015
· **Database**	2016
· **Releation base Database**	2016
· **Database File**	2015

SKILL

· **Valibal**	2000
· **Professional volleyball**	2010
· **Volleyball coaching**	2018
· **ping-pong**	2016
· **chess**	2016
· **Fundamentals of Mathematical Sciences**	2015
· **Foundations of logic and set theory**	2016
· **Statistics and advanced possibilities**	2016
· **Artificial intelligence**	2015
· **Computer Networks**	2017
· **Computer operating system**	2016
· **Numerical computing methods**	2015
· **mathematical analysis**	2015
· **Optimization**	2017
· **Linear Algebra**	2017
· **Matrix**	2015
· **Advanced algorithm**	2018
· **Parallel Algorithms**	2019
· **Data analysis**	2018
